

## **Mishawaka Catholic School Development Overview**

### **DEVELOPMENT OVERVIEW:**

Development seeks to serve the Mishawaka Catholic community by providing the resources and support to help advance the Mishawaka Catholic mission of a Christ-centered community of life-long learners. Tuition assistance/scholarships, school operations and general needs are key components of funds received through Annual Giving, Planned Giving and various Events.

We hope the Supporting Mishawaka Catholic web pages inform, assist and motivate you to join us in providing a quality Catholic education for the next generation. Please contact us if you have additional questions about how to make a gift to the school, opportunities to give or areas of urgent need for Mishawaka Catholic.

God Bless and Dare To Be Saints!
